## introduction

A space where travellers and locals can meet, connect, have fun and co-create memories.

Via Amsterdam is a multi-functional playground fitted for all possible events. Located in a building with a lot of 90's history, the design can be defined as an urban jungle. We want to inspire our visitors to explore, connect, and have fun while creating memories of a lifetime.

Via is easily accessible by public transportation and car. Station Diemen Zuid is within a short walking distance from the premises, offering direct connections to Amsterdam Centraal and Schiphol Airport. To top things off we have 200 parking spaces under the building, and you can even stay the night in one of our rooms.

We're here for the moments!

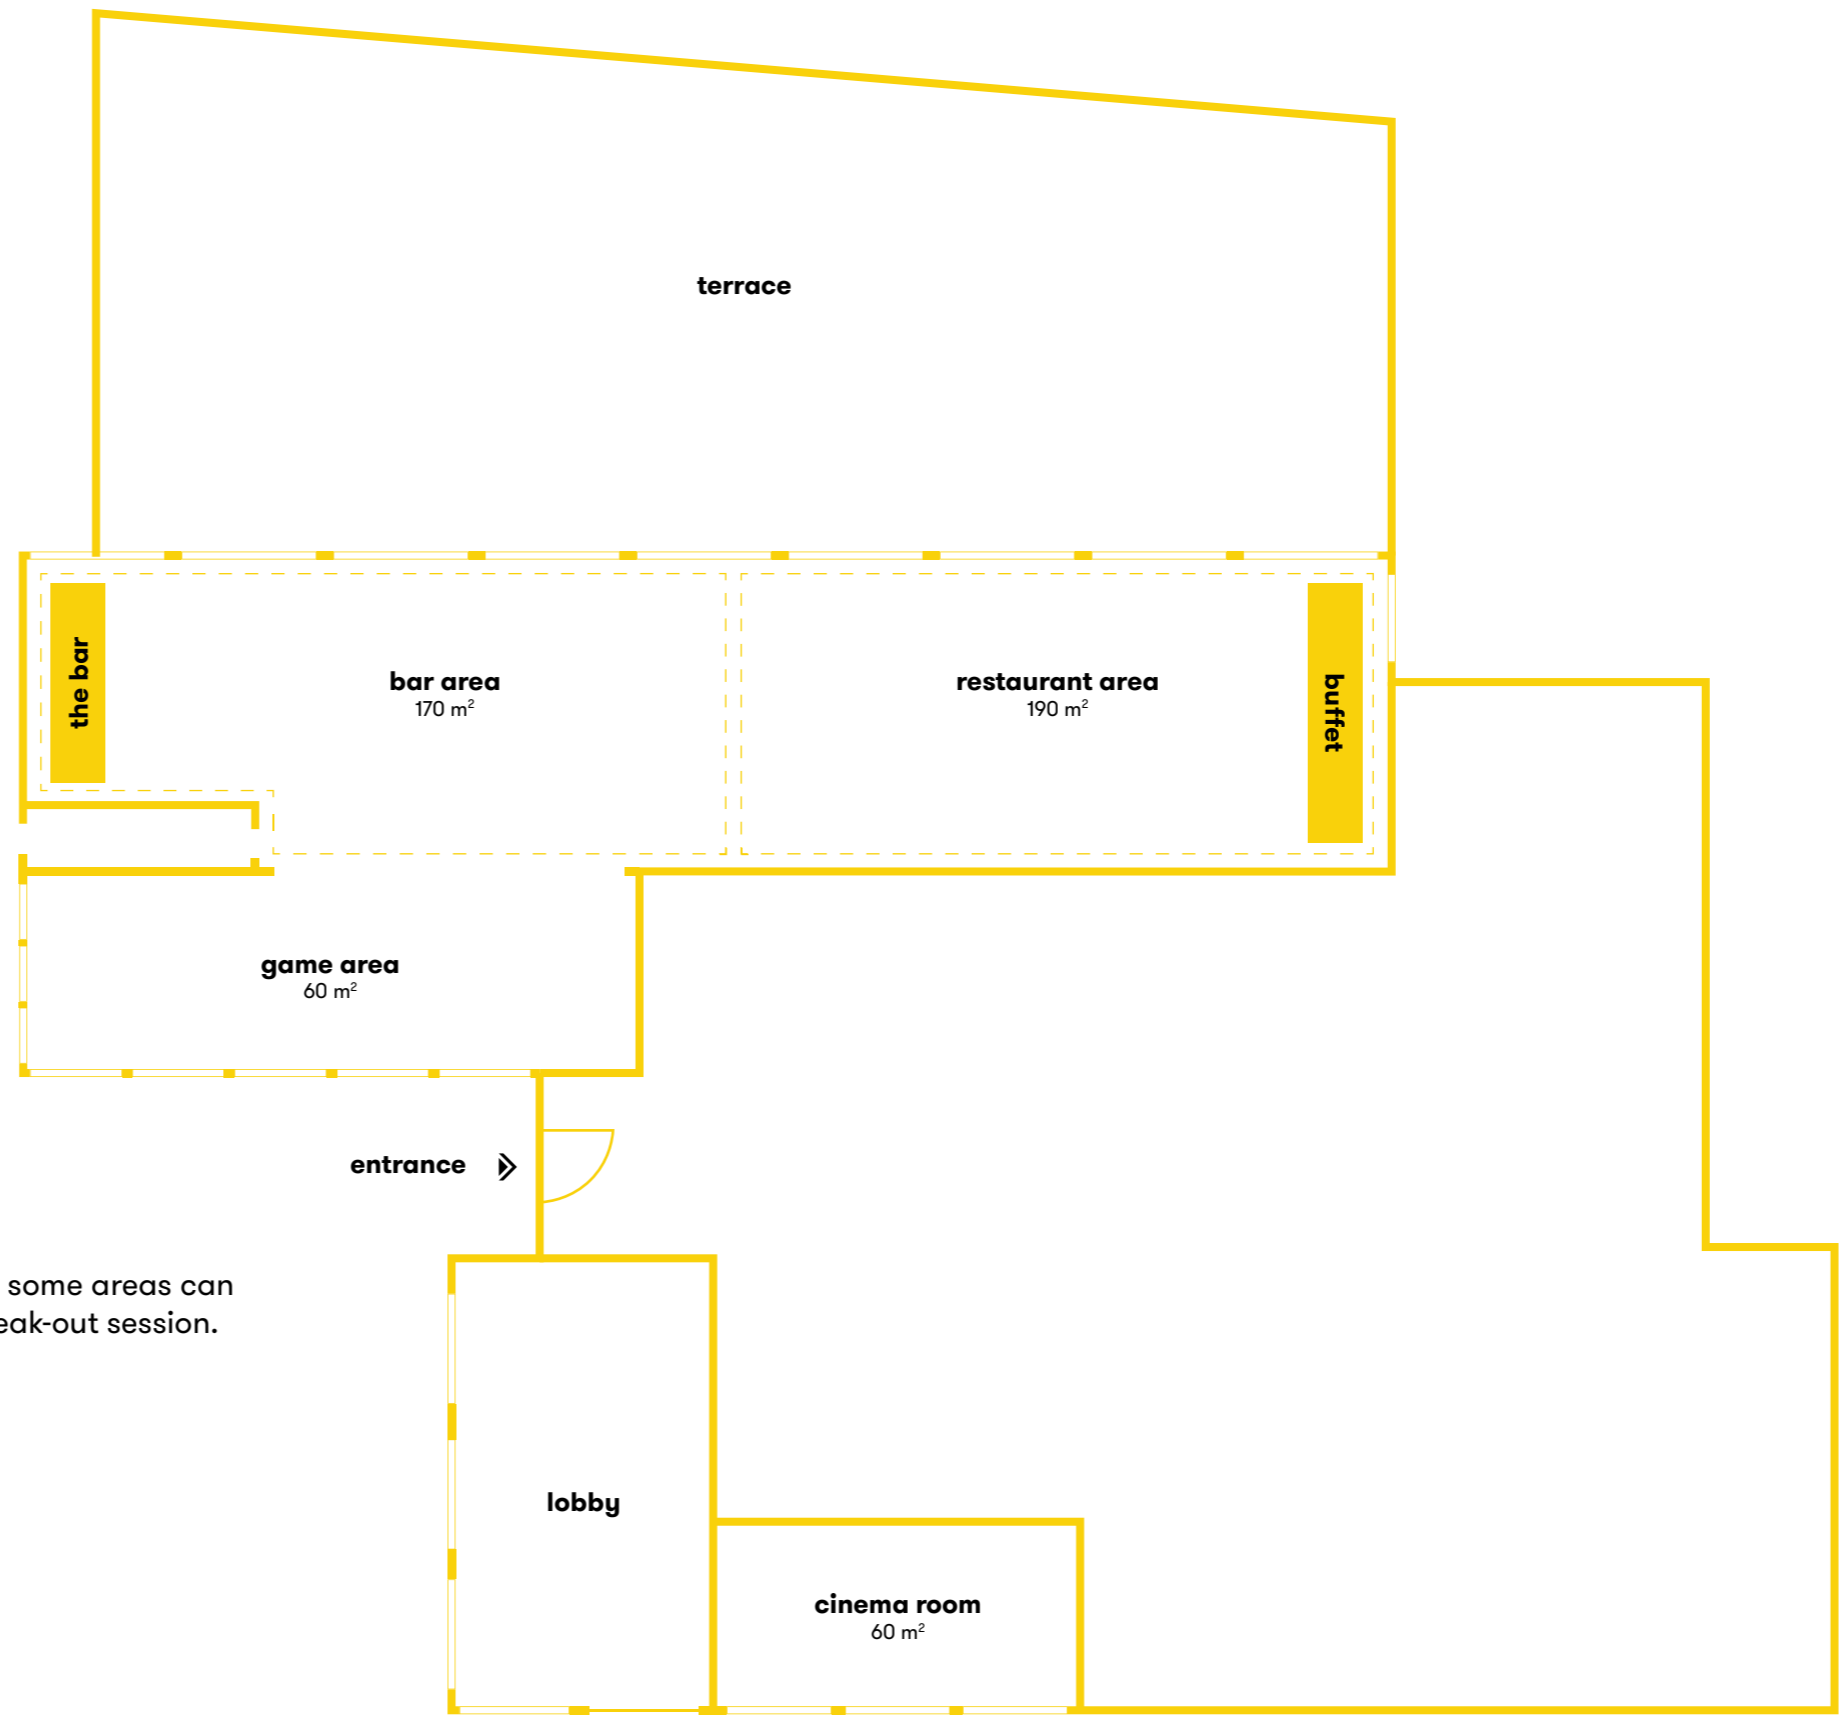

## our spaces

From 10 to 1000, we have spaces suited for break-out sessions, parties, brand launches and full blown dinners. We provide in-house catering, hosted activities and endless possibilities for creative use of the spaces, just get in touch with your (crazy) ideas!

Below the face, there are three yellow circles and two vertical bars, resembling a decorative separator or a small graphic element. Below this graphic, the text "have it all" is written in a bold, yellow, sans-serif font. Underneath that, a paragraph of text in a smaller, black, sans-serif font reads: "Why not have it all? At Via Amsterdam you can! The bar area and restaurant combined results into one big event space of 360m2. This area truly fits it all."
